Delegate's Assembly and Seminar

7th -9th of September. Helsinki, Finland

We want to thank our Finnish colleagues for arranging such well-organized and interesting days in the sunny and beautiful city of Helsinki

New members

One of the highlights from the DA was welcoming two new member countries, Iran and The republic of

Korea. Again, a big welcome to both countries. As of now we are 38 member countries working

Elections

Mr. Tore Eriksson was re-elected as president of CTIF.

Mr. Marc Mamer, Luxemburg was elected as new treasurer.

Mr. Mamer will officially take over as treasurer in January 2017.

We thank Mr. Laurent Wehrli for his services to CTIF through the years and welcome Mr. Mamer in his new role.

Mr. Christophe Marchal, France was elected Auditor. We welcome Mr. Marchal to serve in CTIF.

Best Practice Procedure

This year the Best Practice Procedure award went to Jan Jorissen and Eddy Goosens for producing a manual about how to work to get higher levels of safety during (rescue) efforts in connection with pipelines. Congratulations to both recipients for excellent work!

The results will be available on the CTIF website

Eddy Goosens, Natali de Backer, Jan Joorisen, President
